Would you like to receive our free on-line newsletter?

If you'd like to subscribe to our free newsletter, "Citation Software News," please check the box at the left. Our newsletter is distributed via e-mail several times per year. It contains up-to-date information about software solutions for printing and publishing, direct marketing, postal automation, and data cleansing; it also contains news concerning developments and standards related to variable-data-publishing technology and Web-to-print technology.

How you'll receive your software: If you are ordering PDF Snake, FusionPro VDP Creator, FusionPro Expression Creator, any PitStopProduct, or any "Quite" product, you'll receive the software via download. If you are ordering PrintShop Mail, you'll receive a physical package but no download. If you are ordering a product that's not in the list above, we'll contact you to let you know how your software will be delivered.
